

# Linux Driver Project

[www.linuxdriverproject.org](http://www.linuxdriverproject.org)

**Greg Kroah-Hartman**

**Novell / SuSE Labs**

**gregkh@suse.de**

**greg@kroah.com**

**Goals and results**

**Staging tree**

**How this relates to you**

# Goal

**Write any driver, for any device,  
for any company, for free**

# Result

**Many drivers written and merged**

# Goal

**Help companies get their code merged**

# Result

Staging tree

**Over 60 drivers for 200+ devices**

# Goal

**Do everything in the open**

# Result

**Public mailing lists**

**kernel.org support**

**Talks like this**

# Staging tree

drivers/staging/

# Staging tree

62 drivers as of today

# Staging tree

**Over 200 devices supported**

**Staging tree**

**wireless drivers**

**Staging tree**

**ethernet drivers**

# Staging tree

## video drivers

# Staging tree

## framebuffer drivers

# Staging tree

## android drivers

**Staging tree**

**comedi drivers**

# Staging tree

**USB over IP drivers**

# Staging tree

## POWERLINK

# Staging tree

**ATA drivers**

# Staging tree

will take anything

# Staging tree

**After clean, moves to proper place**

# Companies

**Send me your drivers**

# Companies

**Send me your driver requests**

# **Driver requests**

**No guarantees on deadlines**

# Getting involved

**Where to start?**

# Getting involved

## Easy tasks

`drivers/staging/*/TODO`

# Getting involved

## Medium tasks

**Add existing driver to staging**  
[www.linuxdriverproject.org](http://www.linuxdriverproject.org)

# Getting involved

## Longer term tasks

### Write new driver

# Getting involved

## Longer term tasks

### Write new driver

USB video

SCSI driver

USB tablet

# Send Me Patches!
